Funding Source: 100% Violence Against Women Grant

1. Description of Supplies or Services (If contract amendment, please identify contract time period and/or scope change)

The VAWA grant is an annual grant that originates from the U. S. Department of Justice, Office of Justice Programs, Office of Violence Against Women through the Ohio Department of Public Safety, Office of Criminal Justice Services (OCJS) to Cuyahoga County in the form of a "Block" award. The block award is an allocation of funds from the Federal Government, through the State of Ohio that is derived through a formula based upon crime statistics.

The VAWA program emphasizes coordinated community approaches to reduce violence against women and to create mutually respectful partnerships between the justice system and victim services. OCJS releases a solicitation for applications (usually in the spring of each year) under the VAWA grant for all counties EXCEPT Cuyahoga, Franklin and Hamilton County which are considered separate Regional Planning Units (RPUS). The VAWA block award is, in turn and by Cuyahoga County Public Safety and Justice Services, advertised in the Plain Dealer for applications utilizing a "Solicitation for Applications" document (see attachment 1). Public Safety and Justice Services, Public Safety Grants is the grant administrator for the annual VAWA award. Public Safety Grants is responsible for all programmatic and fiscal activities both with the State and awarded projects.

The VAWA Allocation Committee (a sub-Committee of the Justice Governing Board), is responsible for recommending funding to projects, setting local priorities and oversight of projects. The Allocation Committee is comprised of members that have particular expertise in the field of violence against women. A Committee member roster is provided (attachment 2). An application scoring tool is utilized (attachments 3 and 4) to assist the Committee in making funding recommendations.

Additional attachments to this document are the "Attachment A" Which details funding awards (Attachment 5), the VAWA grant funding history (attachment 6) which further delineates the approved projects and amount allocated to each project and the 2012 VAWA Time Line (Attachment 7).

Funding initiatives under the VAWA grant occur annually in the following manner and as per grant guidelines:

**The Ohio State Office of Criminal Justice Services issues a notification of block funding to the Regional Planning Unit counties (Cuyahoga, Franklin and Hamilton) in the spring of each year.

**Department of Public Safety and Justice Services, Public Safety Grants (grant administrator) issues/advertises a solicitation for applications under the grant guidelines.

**Applications are scored and recommended for funding by the VAWA Allocation Committee (a sub-committee under Justice Governing Board)

**Recommended funding is submitted to the Executive via a NOVUS Item.

**Applications are sent to the State for final approval and award.

2. Estimated Dollar Value and Funding Source(s) including percentage breakdown (If amendment, please enter original contracted amount and additional amount, if any)

\$461,589.16

U. S. Department of Justice, Office of Justice Programs, Office of Violence Against Women through the Ohio Department of Public Safety, Office of Criminal Justice Services.

3. Rationale Supporting the Use of the Selected Procurement Method (include state contract # or GSA contract # and expiration date)

Cuyahoga County Public Safety and Justice Services, Public Safety Grants similarly replicates the grant solicitation method that the State (OCJS) utilizes. The majority of required application documents originate from OCJS. This creates an effective uniformity from the Grantor through the sub-awards. The VAWA Allocation Committee reviews the solicitation from OCJS and makes edits based upon local priority needs and has developed a scoring tool that meets the unique needs of violence against women in Cuyahoga County.
