### **Time Sensitive/Mission Critical**

#### **BC2022-48**

Department of Public Works, recommending an award on Purchase Order No. 22000043 to Nachurs Alpine Solutions in the amount not-to-exceed \$23,032.92 for the purchase of (4,404) gallons of runway de-icing solution for the County Airport.

Funding Source: General Fund

Nichole English and Tom Pavich, Department of Public Works, presented. Nan Baker asked if more de-icing solution will be needed for this winter and if this purchase was anticipated; asked if another similar purchase is forthcoming; and asked if there is any concern over supply chain issues. Dale Miller asked how long de-icing solution can be kept and can unused solution be held over until next year; and asked if pricing is based on the volume of solution that is purchased and if price breaks are given for higher quantities. Dale Miller motioned to approve the item; Michael Chambers seconded. Item BC2022-48 was approved by unanimous vote.

#### **Project Update**

Department of Development – Update on grant award to Project Boron, LLC for the construction of a cold storage facility on the Opportunity Corridor Roadway.

Paul Herdeg, Department of Development, presented.

Dale Miller asked what the final extended date for the construction contract is and requested an additional update on this project at the next Board of Control Meeting.

Nan Baker asked what the new deadline date is and how long the department expects the parties to act on that extended deadline.

Trevor McAleer said that he is frustrated as the Board of Control, and even some Council members, were pressured weeks ago to move quickly on the funding support or else the project would be jeopardized and fall apart and now the deadline date has been moved 2 times; said that this was unfair to the Board of Control members who were compelled to act so quickly; said that this has occurred before and may put future discussions on other projects in a more difficult position because clearly deadlines can be moved; said that more caution may be exercised on other projects moving forward; and asked how much of the \$2.5 million has been committed and how close is the funding commitment to what is needed for the project.
